Attached for sanitization and classification are Beverley Lumpkin's notes on the interview.

George asked me to tell you that he thinks the memorandum we were looking for is in the IG's file? Can you check this out? I'm not clear on the subject matter of this memorandum myself.

Also attached are two request letters from the Subcommittee dated 27 and 28 April 1978. Please advise me as soon as possible as to how long it will take to respond.
